

Remarks

The present Response is filed in reply to the Notice of Non-Compliant Amendment dated June 4, 2007. As the present Response is filed within the one month period for response, as set by the Notice, the present Response is timely and should be entered.

A prior Response, filed May 21, 2007, discussed an amendment to the drawings. An apparent clerical error resulted in the omission of a properly annotated replacement drawing sheet from being submitted with that Response.

The present Response supplies the replacement drawing sheet as required and in compliance with 37 C.F.R. §1.121(d).

Substantive consideration of the prior filed Response is respectfully requested.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 50-0890 for any matter in connection with this response, including any fee for extension of time, which may be required.

Respectfully submitted,

Date: 6/22/2007
